COLORADO SCHOOL OF MINES

**Any of these courses from Colorado Community Colleges will meet the midlevel H&SS (HASS elective I and/or II) graduation requirements.**

- Students will enroll and pay tuition at any Colorado Community College, and will need to identify which of these courses are taught at any given time.
- Once a course FROM THIS LIST is identified, a Prior Approval Form must be completed, and that form is available from the registrar's office. *This form can be completed AT THE REGISTRAR'S OFFICE—courses on this list do not require a signature from HASS.*
- Once the class is completed, the transcript from the community college must be sent to the Mines registrar, who will then match it to the Prior Approval Form and award credit.
